Reference Matters Applying to Proposals No. 2 to No. 7

In order to further enhance the corporate governance structure, it is proposed that the Bank transitions to a Company with an Audit & Supervisory Committee. Proposals No. 2 to No. 7 described in pages 7 to 27 in this Notice of Convocation are all related to the transition. For this reason, the Bank will provide an overview of a Company with an Audit & Supervisory Committee and an explanation as to reasons for the transition from a Company with an Audit & Supervisory Board to a Company with an Audit & Supervisory Committee.

■ Overview of a Company with an Audit & Supervisory Committee

- A Company with an Audit & Supervisory Committee is a company that has an Audit & Supervisory Committee but cannot have Audit & Supervisory Board Members or an Audit & Supervisory Board.
- The Audit & Supervisory Committee comprises three or more Directors serving as Audit & Supervisory Committee Members, the majority of whom must be Outside Directors.
- The term of office of Directors other than Audit & Supervisory Committee Members shall be one year, and the term of office of Directors serving as Audit & Supervisory Committee Members shall be two years.
- Directors serving as Audit & Supervisory Committee Members have voting rights at meetings of the Board of Directors, and are involved in decision-making over proposals regarding the election and dismissal of Directors, the election and removal of Representative Directors, and overall decision-making regarding the execution of other business (excluding business for which decisions have been delegated to Directors). Audit & Supervisory Committee Members selected by the Audit & Supervisory Committee also have the authority to offer opinions at the General Meeting of Shareholders regarding the election, dismissal, and remuneration of Directors other than Audit & Supervisory Committee Members. In this respect, Audit & Supervisory Committee Members and the Audit & Supervisory Committee have stronger oversight functions than Audit & Supervisory Board Members and an Audit & Supervisory Board.
- A Company with an Audit & Supervisory Committee may delegate all or part of decisions over important business execution to Directors by resolution of the Board of Directors, where provided for in the Articles of Incorporation. As a result, this enables delegated Directors to make prompt business decisions and execute business with flexibility. Meanwhile, it allows the Board of Directors to strengthen its oversight functions over the executor of business.

■ Reasons for Transition to a Company with an Audit & Supervisory Committee

By transitioning to a Company with an Audit & Supervisory Committee, the Bank will grant voting rights at meetings of the Board of Directors to Directors serving as Audit & Supervisory Committee Members (including multiple Outside Directors) to strengthen the oversight functions of the Board of Directors, and will further enhance the corporate governance structure and increase corporate value.

■ Proposals No. 2 to No. 7

Transitioning to a Company with an Audit & Supervisory Committee requires amendments to the Articles of Incorporation, and these amendments are therefore proposed in Proposal No. 2: Partial Amendment to the Articles of Incorporation.

In addition, a Company with an Audit & Supervisory Committee is required to differentiate the election of Directors other than Audit & Supervisory Committee Members and Directors serving as Audit & Supervisory Committee Members. For this reason, Proposal No. 3 proposes the election of Directors other than Audit & Supervisory Committee Members, and Proposal No. 4 proposes the election of Directors serving as Audit & Supervisory Committee Members.

Furthermore, in a Company with an Audit & Supervisory Committee, the amount of remuneration for Directors must be determined separately for Directors other than Audit & Supervisory Committee Members and Directors serving as Audit & Supervisory Committee Members. For this reason, Proposal No. 5 proposes the amount of remuneration for Directors other than Audit & Supervisory Committee Members, Proposal No. 6 proposes the amount of remuneration for Directors serving as Audit & Supervisory Committee Members, and Proposal No. 7 proposes the amount and details of stock option remuneration for Directors (excluding Directors serving as Audit & Supervisory Committee Members and Outside Directors).

Proposal No. 2: Partial Amendment to the Articles of Incorporation

1. Reasons for the Amendment

It is proposed that the Bank transitions to a Company with an Audit & Supervisory Committee with the aim of strengthening audit and oversight functions and working to further enhance corporate governance and increase corporate value.

- (1) Necessary changes will be made in accordance with the transition to a Company with an Audit & Supervisory Committee, including the establishment of new rules pertaining to the Audit & Supervisory Committee and Audit & Supervisory Committee Members and the abolition of rules pertaining to the Audit & Supervisory Board and Audit & Supervisory Board Members.
- (2) A new regulation will be established by resolution of the Board of Directors enabling the delegation of all or part of important business execution (excluding matters prescribed in items of Article 399-13, Paragraph 5 of the Companies Act) to Directors.
- (3) Regulations in the Articles of Incorporation relating to limited liability agreements will be amended to enable Directors who are not engaged in business execution to fully fulfill the roles expected of them. The consent of each Audit & Supervisory Board Member has been obtained for this amendment.
- (4) The regulations will be changed to establish the position of Vice Chairman and Director as Executive Director.
- (5) In addition, necessary amendments, including changes to the number of Articles resulting from the above amendments, will be made.

2. Details of the Amendments

Details of the amendments are as follows.

The amendments to these Articles of Incorporation will become effective as of the conclusion of this Annual General Meeting of Shareholders.

Proposal No. 5: Establishment of the Amount of Remuneration for Directors (excluding Directors Serving as Audit & Supervisory Committee Members)

At the 140th Annual General Meeting of Shareholders held on June 19, 2015, approval was granted for the amount of remuneration for Directors of the Bank to be set at a maximum of 270 million yen per annum for fixed remuneration (including a maximum of 20 million yen for Outside Directors), and, separate from the fixed remuneration, a maximum of 30 million yen per annum to be set for performance-based remuneration (excluding Outside Directors) depending on profit, effective to the present. However, subject to the approval of Proposal No. 2: Partial Amendment to the Articles of Incorporation, the Bank will transition to a Company with an Audit & Supervisory Committee.

Accordingly, in accordance with the provisions of Article 361, Paragraph 1 and Paragraph 2 of the Companies Act, it is proposed that the current provisions for the amount of remuneration for Directors be abolished, and that, taking into account various circumstances such as the economic situation, the amount of remuneration for Directors (excluding Directors serving as Audit & Supervisory Committee Members) be set at a maximum of 270 million yen per annum for fixed remuneration (including a maximum of 20 million yen for Outside Directors). In addition, in order to increase the motivation of Directors to enhance corporate value and to raise their awareness of shareholder-oriented management, it is proposed that, separate from fixed remuneration, a maximum of 30 million yen per annum be set for performance-based remuneration (excluding Directors serving as Audit & Supervisory Committee Members and Outside Directors) based on profit, as shown in the table below.

It is further proposed that, as is currently the case, this amount of remuneration not include the employee salary portion of remuneration for Directors concurrently serving as employees, and that the specific amount and timing of payments to each Director (excluding Directors serving as Audit & Supervisory Committee Members) be left to the discretion of the Board of Directors.

In addition, the amount of remuneration in this Proposal is to be approved separately from the stock option remuneration outlined in Proposal No. 7.

The current number of Directors is ten (10), including three (3) Outside Directors. If Proposal No. 2: Partial Amendment to the Articles of Incorporation, and Proposal No. 3: Election of Ten (10) Directors (excluding Directors Serving as Audit & Supervisory Committee Members) are approved, the number of Directors (excluding Directors serving as Audit & Supervisory Committee Members) will be ten (10), including two (2) Outside Directors. The resolution of this proposal will take effect provided that amendments to the Articles of Incorporation contained in Proposal No. 2: Partial Amendment to the Articles of Incorporation become effective.

Framework for Performance-based Remuneration

5,000 million yen or more	30 million yen
3,000 million yen or more and less than 5,000 million yen	20 million yen
1,000 million yen or more and less than 3,000 million yen	10 million yen
Less than 1,000 million yen	0 yen

Proposal No. 6: Establishment of the Amount of Remuneration for Directors Serving as Audit & Supervisory Committee Members

At the 140th Annual General Meeting of Shareholders held on June 19, 2015, approval was granted for the amount of remuneration for Audit & Supervisory Board Members of the Bank to be set at a maximum of 60 million yen per annum, effective to the present. However, subject to the approval of Proposal No. 2: Partial Amendment to the Articles of Incorporation, the Bank will transition to a Company with an Audit & Supervisory Committee.

Accordingly, in accordance with the provisions of Article 361, Paragraph 1 and Paragraph 2 of the Companies Act, it is proposed that, taking into account various circumstances such as the economic situation, the amount of remuneration for Directors serving as Audit & Supervisory Committee Members be set at a maximum of 60 million yen per annum. It is further proposed that the specific amount and timing of payments to each Director serving as Audit & Supervisory Committee Member be left to the discretion of Directors serving as Audit & Supervisory Committee Members.

The current number of Audit & Supervisory Board Members is four (4), including two (2) Outside Audit & Supervisory Board Members. If Proposal No. 2: Partial Amendment to the Articles of Incorporation, and Proposal No. 4: Election of Four (4) Directors Serving as Audit & Supervisory Committee Members are approved, the number of Directors serving as Audit & Supervisory Committee Members will be four (4), including three (3) Outside Directors.

The resolution of this proposal will take effect provided that amendments to the Articles of Incorporation contained in Proposal No. 2: Partial Amendment to the Articles of Incorporation become effective.

Proposal No. 7: Determination of the Amount and Details of Remuneration in Stock Options for Directors (excluding Directors Serving as Audit & Supervisory Committee Members and Outside Directors)

At the 140th Annual General Meeting of Shareholders held on June 19, 2015, approval was granted for the amount of remuneration relating to share acquisition rights as share remuneration-based stock options for Directors of the Bank (excluding Outside Directors) to be set at a maximum of 36 million yen per annum, separate from fixed remuneration and performance-based remuneration, effective to the present. However, subject to the approval of Proposal No. 2: Partial Amendment to the Articles of Incorporation, the Bank will transition to a Company with an Audit & Supervisory Committee.

Accordingly, in accordance with the provisions of Article 361, Paragraph 1 and Paragraph 2 of the Companies Act, it is proposed that the current provisions for the amount of remuneration relating to share acquisition rights as share remuneration-based stock options for Directors be abolished, and that, separate from the amount of remuneration proposed in Article No. 5, share acquisition rights as share remuneration-based stock options be allocated to Directors (excluding Directors serving as Audit & Supervisory Committee Members and Outside Directors) and that the amount of remuneration for this purpose be within 36 million yen per annum, taking into account various circumstances such as the economic situation.

The specific amount of remuneration as stock options is the amount obtained by multiplying the fair value per stock acquisition right calculated on the allotment date of the stock acquisition right by the number of share acquisition rights to be allotted. It is proposed that the payment timing and allocation to each Director be left to the discretion of the Board of Directors. There are currently seven (7) Directors who are eligible to be granted share acquisition rights as share remuneration-based stock options. However, if Proposal No. 2: Partial Amendment to the Articles of Incorporation and Proposal No. 3: Election of Ten (10) Directors (excluding Directors Serving as Audit & Supervisory Committee Members) are approved as originally proposed, the number of Directors eligible to be granted share acquisition rights as share remuneration-based stock options will be eight (8).

The resolution of this proposal will take effect provided that amendments to the Articles of Incorporation contained in Proposal No. 2: Partial Amendment to the Articles of Incorporation become effective.
